

Important Dates

Submission of full length paper	: 01 – 06 -2021
Acceptance notification	: 30 - 06 - 2021
Submission of Revised Paper	: 15 - 08- 2021
Early bird Registration	: Till 15-08-2021
Conference Dates	: 26 th – 28 th August 2021

Registration Details

Category	Indian Authors		Foreign Authors
	Online Presence	Physical Presence	Online Presence only
Student (UG/PG/PhD)	INR 5000	INR 6000	150 USD / Equivalent
Academician / R & D Lab	INR 6000	INR 7000	300 USD / Equivalent

Note: Convenience fee and GST will be applicable as per actual in addition to the mentioned registration fee. Registration fee does not cover the travel and accommodation for the conference.

Venue

Conference Hall, Palm Beach Hotel
Beach Road, Near VUDA Park,
East Point Colony, Visakhapatnam,
Andhra Pradesh – 530023, India

Contact Us

Dr. Harisankar Bendu,

Organizing Chair & Managing Director
Techno Manufacturing and Consultancy Services
Srikakulam, Andhra Pradesh
India - 532005

Phone & WhatsApp : +91-7008035481

Proceedings Publication

ICMMT proceedings of all the accepted & registered papers will be submitted to “Materials Today Proceedings” indexed in SCOPUS (Elsevier) for possible publication.

Proceedings Editors

Dr. Abhishek Sharma,

Manipal University, Jaipur, India.

Dr. B B V L Deepak,

National Institute of Technology, Rourkela, India.

Dr. Neeraj Sharma,

Maharishi Markandeshwar University, Haryana, India.

Call for Papers

Track I: Materials Technology

- Energy Systems
- Advanced Materials Processing
- Materials Synthesis and Processing
- Nanotechnology
- Nonlinear Dynamics
- Polymers and Soft Matter
- Semiconductor Physics and Devices
- Composite materials
- Magnetic Materials
- Powder metallurgy
- Smart Materials
- Super alloys
- FGEM, Smart Structures, MEMs

Track II: Manufacturing Technology

- Artificial Intelligence in manufacturing
- Smart Manufacturing
- Virtual Manufacturing
- Robotics, Mechatronics & Automation
- Supply Chain Management
- CAD/CAM/CAE
- Human-Computer-Interaction / Machine Learning applications
- Sensors, Actuators and DAQ
- Green Manufacturing
- Cellular manufacturing
- Rapid Prototyping & Reverse Engineering
- Ergonomics for manufacturing
- Aesthetics for manufacturing

International Conference on Materials and Manufacturing Technology (ICMMT)

26th – 28th August 2021

Organized by

**Techno Manufacturing and Consultancy
Services, Srikakulam, Andhra Pradesh,
India - 532005**

About Host

TECHNO MANUFACTURING AND CONSULTANCY SERVICES established in the year 2021 under Register of firms as no. : 19 of 2021 at Srikakulam, Andhra Pradesh, India. We are Partnership Firm based company established under Partnership act 1932. We are the leading Manufacturer of Paper and Fabric products with large varieties that are useful for Printing and writing segments.

About The Conference

The theme ICMMT-21 discusses the current issues that are facing in industries and also recent advancements in the field of manufacturing and thermal engineering domains. This conference introduces a common forum for academicians, scientists and industrialists to discuss varieties of solutions for the limitations in the area of Materials and Manufacturing Technology.
